### Modern Slavery Act Statement

Rotunda Ltd are committed to ensuring modern slavery does not exist in its supply chains. We constantly strive to develop, policy and procedures to manage the way we obtain our goods and services to keep our supply chains robust. To date we have had no reports of modern slavery within our organisation nor our supply chains.

Rotunda Ltd has a clear framework of rules and behaviours and encourages the reporting of any concerns or breaches so that they can be dealt with appropriately in accordance with our policies and procedures. We offer an independent and confidential Whistleblowing hotline where staff and volunteers can raise concerns confidentially and anonymously if they wish.

Rotunda Ltd checks that staff can demonstrate their eligibility to work in the UK and requires all contractors and agency staff to undergo an eligibility check before commencing work. We also seek confirmation from volunteers that they have eligibility to work in the UK.

This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and constitutes the Trust's modern slavery and human trafficking statement for the financial year ending 31/08/21.
